

**The time you need
for times like these.**

California's new Paid Family Leave program

There are times in the life of every working person when they need to care for a loved one. Maybe it's a working mother who needs more time to bond with and care for a newborn. Maybe it's an employee who needs to care for a parent, child, spouse, or domestic partner who is seriously ill or unable to care for themselves. California's new Paid Family Leave law was created for times like these.
